Profile

I have experience both in technical and creative fields. I communicate well, I know how to build trust and solve problems directly.

I am seeking to transition from my current role to gain hands-on experience and grow in UX/UI design or similar creative roles.

"I'm the type of person, if you ask me a question, and I don't know the answer, I'm gonna tell you that I don't know. But I bet you what. I know how to find the answer, and I will find the answer." - The Pursuit Of Happiness

Experience

IT/TECH SPECIALIST, DOXXBET, SLOVAKIA – 2024-PRESENT

- Set up, deployed, and maintained technical equipment for live-streaming studios with dealers.
- Provided IT support and resolved technical issues for internal staff.
- Communicated with international business partners regarding potential solutions and equipment upgrades.

SOCIAL MEDIA MANAGER, OVB ALLFINANZ, SLOVAKIA – 2022-2023

- Managed company social media and created client-acquisition focused content, including video production and editing.
- Optimised visual identity and overall presentation across LinkedIn, Facebook, Instagram, TikTok, and YouTube.
- Recorded and edited professional seminars and published them on YouTube.

SOFTWARE TESTER, AVAST SLOVAKIA, SLOVAKIA – 2021 (4 MONTHS INTERNSHIP/PART-TIME)

- Worked as a manual software tester on the initial release of the Avast One product.
- Identified software defects and verified fixes implemented by developers.
- Followed internal QA processes to ensure product stability and functionality prior to public release.

Education

The Hague University of Applied Sciences – UX/UI Design, 2023-2024

Certificates

Google UX Design Certificate (Currently in the progress of doing it)
